Location: Kehl Florist & Greenhouses – Louisville, Ohio

Job Type: Full-Time/Part-Time

About Us:

We're a small, family-owned flower shop with deep roots in the community. For us, flowers are more than just beautiful arrangements — they're a way to connect with people during life's most meaningful moments. Whether it's a birthday, a wedding, sympathy, or just because, we believe in creating thoughtful, handcrafted designs with heart.

We're looking for a friendly, creative, and dependable florist to join our close-knit team and grow with us. If you love flowers, enjoy working with your hands, and take pride in making others smile, we'd love to meet you!

What You'll Do:

- Design fresh, custom floral arrangements for everyday orders, events, and holidays
- Help walk-in customers find the perfect bouquet or plant
- Take phone and in-person orders with care and attention to detail
- Unpack, condition, and care for flowers and greenery to keep them fresh and vibrant
- Keep the shop tidy, organized, and welcoming
- Assist with deliveries when needed (valid driver's license a plus)
- Pitch in during busy seasons like Valentine's Day, Mother's Day, and weddings
- Be a friendly face and helping hand — we're all in this together!

What We're Looking For:

- Experience in floral design is preferred, but we are open to training the right person with a creative eye and a willingness to learn
- Strong attention to detail and color coordination
- Dependable, flexible, and comfortable working in a small, team-oriented setting
- Ability to work efficiently and multitask in a fast-paced environment
- Comfortable standing for long periods and lifting buckets or flower boxes (up to 30 lbs)

- Bonus if you have customer service or retail experience

Perks of Working With Us:

- Supportive, family-like atmosphere
- Opportunities to grow your skills and creativity
- Flexible scheduling when possible
- And yes — you'll be surrounded by flowers every day!
